Spring Balancer, 2–3 kg

Make every tool feel nearly weightless.

A durable, multifunctional tool balancer that carries the load on a stainless-steel wire rope, so operators can position tools with less effort, less fatigue, and more control.

Specifications

Item number	90079
Style	Spring tool balancer
Load capacity	2–3 kg (4.40–6.61 lb)
Stroke (cable length)	1600 mm (5.24 ft)
Cable	Stainless-steel wire rope
Housing	Cast aluminum
Net weight	0.74 kg (1.63 lb)
Shipping weight	0.80 kg (1.76 lb)
Package dimensions	204 × 112 × 62 mm (8.0 × 4.4 × 2.4 in)
Environment	Standard industrial
Warranty	12 months

Built-in safety: auxiliary safety suspension, adjustable stroke limiter, and antifriction cable guide.

Why operators and engineers choose it

Less fatigue, safer work

Tools feel nearly weightless, improving ergonomics and safety at the station.

Precise tension adjustment

Dial capacity quickly and accurately to match the tool on the line.

Full range of motion

The stainless cable extends and retracts smoothly as tools are repositioned.

Built to last

Rugged cast aluminum housing and stainless rope for daily production use.
